@ Add a Mail account

To get started, fill out the following information:

Name:

Email Address:

Password:

Setting up an email account on Mac

The screenshot shows a dark-themed dialog box for setting up an email account. It contains several input fields and a dropdown menu. The 'Email Address' field is filled with 'lisa@ets-morlains.com'. The 'User Name' field is filled with 'Automatic'. The 'Password' field is filled with ten dots. The 'Account Type' dropdown menu is set to 'IMAP'. The 'Incoming Mail Server' field is filled with 'inbox.linkeo.com'. The 'Outgoing Mail Server' field is filled with 'inbox.linkeo.com' and has a blue border around it. Below the fields, there is a red error message: 'Unable to verify account name or password.' At the bottom, there are three buttons: 'Cancel', 'Back', and 'Sign In'.

Email Address: lisa@ets-morlains.com

User Name: Automatic

Password: ●●●●●●●●●●

Account Type: IMAP

Incoming Mail Server: inbox.linkeo.com

Outgoing Mail Server: inbox.linkeo.com

Unable to verify account name or password.

Cancel Back Sign In

3rd step

Fill in the e-mail server parameters as follows:

- Account type: IMAP
- Outgoing mail server : inbox.linkeo.com
- Incoming mail server : inbox.linkeo.com

Then click on the 'Connect' button

Setting up an email account on Mac

Finally,

Select all applications supported by the email server.

Congratulations !

You have correctly configured your email account on your Mac computer.
