

Guide to setting up an email account on Mac

Tutorial

LINKEO

Setting up an email account on Mac

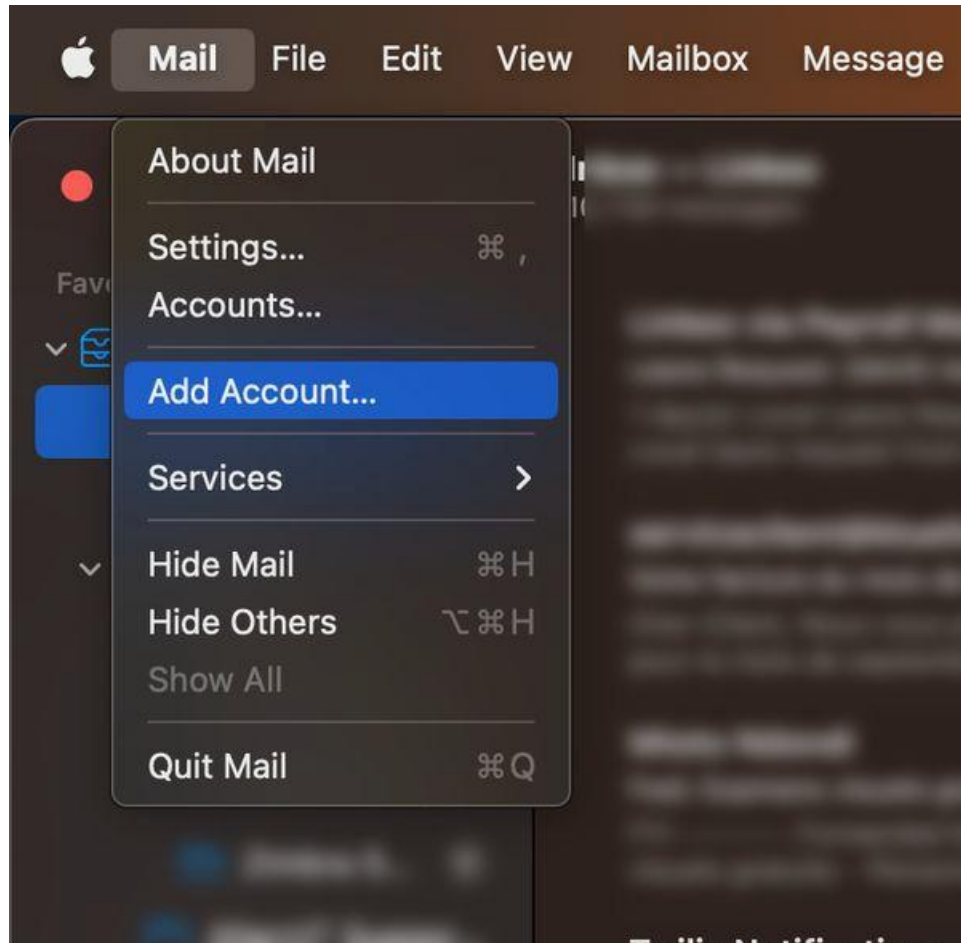

Configuration guide for mail on Mac (Ventura 13.5 version used here)

This guide will allow you to configure your email accounts on your Macintosh.

Just follow the steps.

Our Customer Service team is available by phone at **1300 546 536** or by email at **service@linkeo.com.au** if you encounter any difficulties.

Setting up an email account on Mac

1st step

In the Mail application, click on “Add an account”

In the window that appears, select “Other email account”

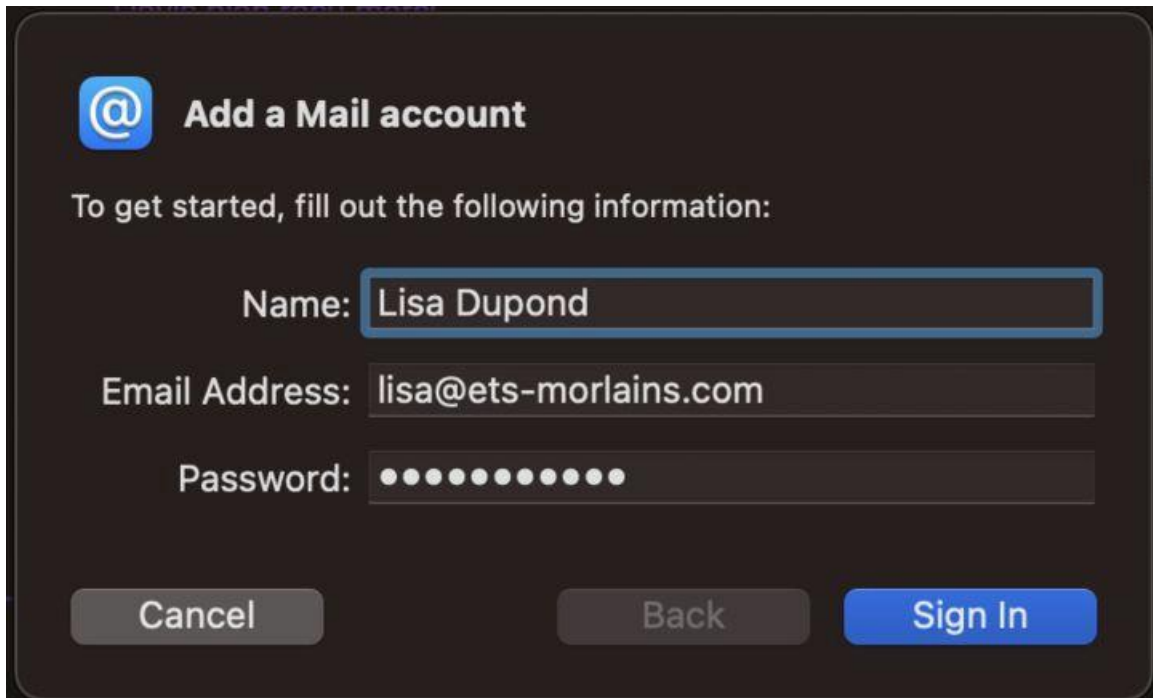

Setting up an email account on Mac

2nd step

Fill in the details of your e-mail address:

- Your name
- Your full email address
- And the associated password

Then click on the 'Next' button

@ Add a Mail account

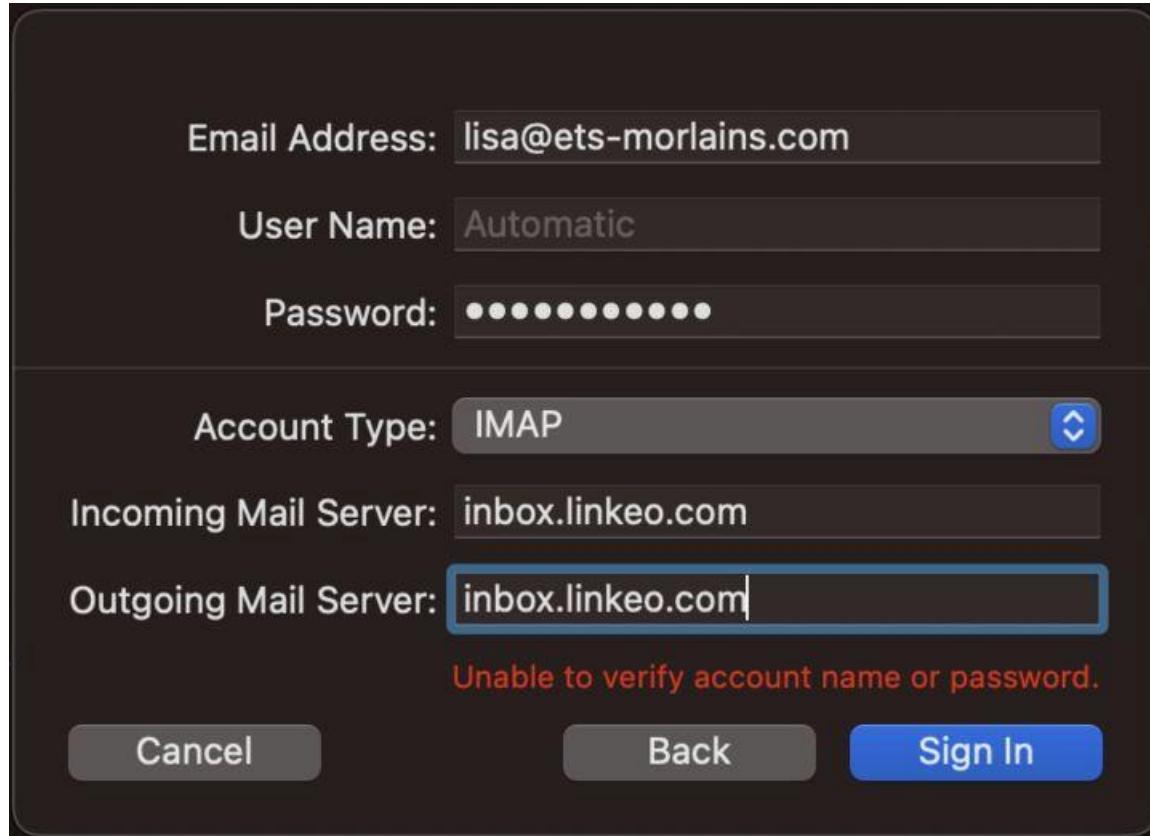

To get started, fill out the following information:

Name:

Email Address:

Password:

Setting up an email account on Mac

The screenshot shows a dark-themed dialog box for setting up an email account. It contains several input fields and a dropdown menu. The 'Email Address' field is filled with 'lisa@ets-morlains.com'. The 'User Name' field is filled with 'Automatic'. The 'Password' field is filled with ten dots. The 'Account Type' dropdown menu is set to 'IMAP'. The 'Incoming Mail Server' field is filled with 'inbox.linkeo.com'. The 'Outgoing Mail Server' field is also filled with 'inbox.linkeo.com' and has a blue border around it. Below the fields, there is a red error message: 'Unable to verify account name or password.' At the bottom, there are three buttons: 'Cancel', 'Back', and 'Sign In'.

Email Address:

User Name:

Password:

Account Type:

Incoming Mail Server:

Outgoing Mail Server:

Unable to verify account name or password.

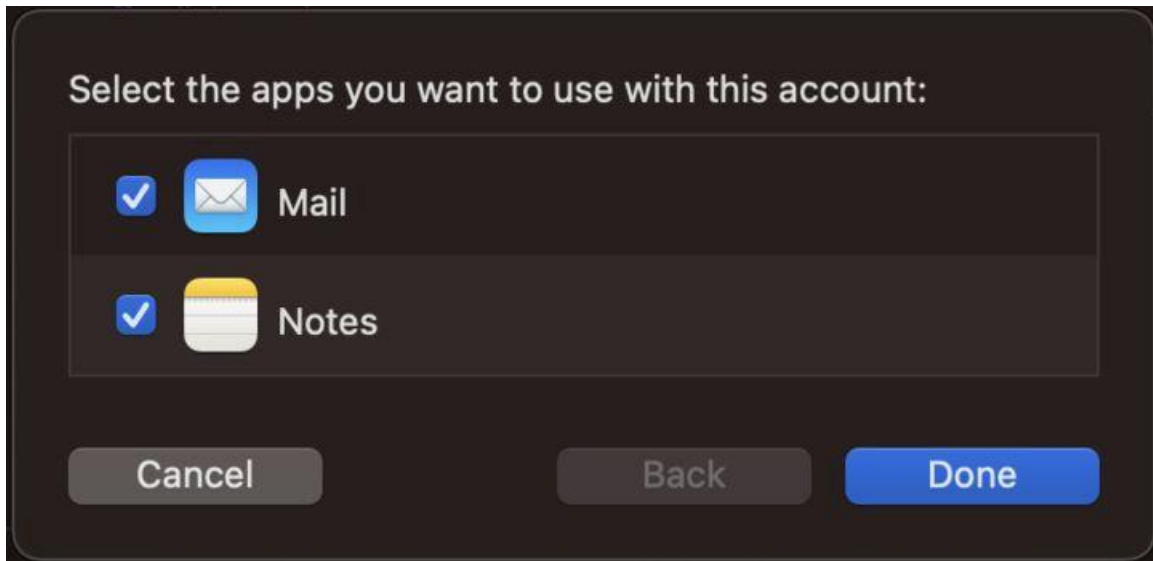

3rd step

Fill in the e-mail server parameters as follows:

- Account type: IMAP
- Outgoing mail server : inbox.linkeo.com
- Incoming mail server : inbox.linkeo.com

Then click on the 'Connect' button

Setting up an email account on Mac

Finally,

Select all applications supported by the email server.

Congratulations !

You have successfully configured your email account on your Macintosh computer.
